

Privacy Policy

Downs Rachlin Martin (the “Firm”) is collecting sensitive information for its client, Dartmouth College, for the purpose of facilitating the Dartmouth College Rennie Farm Value Assurance Program. The information collected in these forms will be delivered into and stored in a secure network, and will be shared with no one outside the Firm or Dartmouth College without your permission.

Personally identifiable information being collected includes your (and co-property owner):

- Name(s)
- Social security number(s)
- Address
- Phone number
- Email address
- Signature(s)

The information the Firm is collecting is necessary for the successful reimbursement of Fair Market Value of your property at the time of closing.

The Firm and Dartmouth College will not disclose your personal information except when your permission has been granted or we are required to do so by law, subpoena, court order or legal process. The Firm will notify you if it is required by law to supply your information.

The submission of your information is voluntary.

If you wish to apply for this program, and do not want to submit your forms via email, please mail completed forms to:
